

**Subject:** Mutual Aid Department Response

**Purpose:** To establish guidelines for which mutual aid department to request. Guidelines are set in accordance to geographical boundaries within the fire district.

**Scope:** Applies to all department personnel

---

**Cornbelt Fire Department:** Request Cornbelt Fire from Mahomet for all mutual aid responses east of the Mansfield blacktop and north of 2500 N road.

**Farmer City Fire Department:** Request Farmer City Fire for all mutual aid responses west of the Mansfield blacktop and north of 2500 N road.

**Mid-Piatt Fire Department:** Request Mid-Piatt Fire Department for all mutual aid responses south of 2500 N road.

Keep in mind that these responses are just guidelines. More mutual aid companies may be requested at any time that the incident commander deems necessary. Also, when specific resources are needed (i.e. Cornbelt for aerial truck) it is at the discretion of the incident commander as to what resources to request from where.
