

**Subject:** Pump Test

**Purpose:** The following policy will be utilized to inform and educate the Fire Department personnel of the intent and purpose of the annual pump test. This may also serve as a guideline for future personnel involved with testing guidelines.

**Scope:** All NPPFD personnel

---

The Northern Piatt Fire Department will follow Insurance Service's Fire Suppression Rating Schedule for performing annual pump tests.

All first line reserve pumps rated above 500 G.P.M. shall be tested.

A vendor, who shall provide a written copy of the results, will do the testing.

The Fire Chief shall be responsible for ensuring that the pump tests are conducted annually.

Dates and documentation of the annual pump test shall be kept on file with the apparatus maintenance records.

By the Order of: \_\_\_\_\_  
Fire Chief
